Message from
The Lieutenant Governor

As Vice-Regal Patron of the Royal St. John's Regatta, I am pleased to support this traditional and historic event which deservingly earned its Royal designation from Her Majesty Queen Elizabeth II in 1993. A significant part of the history of Newfoundland and Labrador, the Regatta has been described as the "largest garden party in the world," attracting thousands of people to the shores of Quidi Vidi Lake.

Every year I am impressed with the dedication to teamwork demonstrated by the volunteers and the rowing teams who make up the crews racing in this special event.

The rowers' enthusiasm for racing is matched only by the enthusiasm of the Regatta Committee who have volunteered many hours for this event.

Congratulations to all involved with the 204th Royal St. John's Regatta. As we celebrate a post-pandemic return to the lake, I wish all who take part a memorable day.

Judy M. Foote, P.C., O.N.L.
Lieutenant Governor of Newfoundland and Labrador

MESSAGE FROM THE PREMIER

Welcome to the 204th running of the Royal St. John's Regatta, the oldest sporting event in all of North America!

This is a special year for Newfoundlanders and Labradorians, as well as visitors to our beautiful province. This year is Come Home Year and our focus is on reconnection, celebration and togetherness. This is also a tremendously special year as Her Majesty, Queen Elizabeth II, is celebrating her Platinum Jubilee.

I look forward to joining you at the 2022 Platinum Jubilee Royal St. John's Regatta and celebrating in the spirit of sport, tradition and community. Congratulations to the Royal St. John's Regatta Committee and best of luck to the coxswains and rowers.

Hon. Andrew Furey
Premier

A Message from the Mayor

It is my great pleasure to welcome you to the City of St. John's 204th running of the Royal St. John's Regatta.

This year 2022 is particularly special as we celebrate Her Majesty, Queen Elizabeth II's Platinum Jubilee during our second Come Home Year since 1966. I can think of no better way to reconnect with family and friends, old and new, than at the world renowned lakeside garden party.

On behalf of Council, I extend sincere appreciation to the Royal St. John's Regatta Committee for organizing this momentous and historic event. We wish you the greatest of success this year and in the many years to come.

Are you ready!

Danny Breen,
Mayor

MESSAGE FROM THE PRESIDENT

Royal St. John's Regatta Committee

It is with great excitement and joy that I welcome you to the 204th Platinum Jubilee Royal St. John's Regatta!

I am especially excited that this Regatta marks our return to full operations with both the rowers and the garden party since 2019. If the past two years have taught me anything, it's that Newfoundlanders and Labradorians are capable of working through the greatest of challenges when we come together and support each other. Just as our Province has proven its resilience, the Royal St. John's Regatta has adapted, persevered and maintained an even keel as we navigated the ever changing tides of the Covid-19 pandemic. Together, our rowing community has proven an unstoppable force, built on determination, hard work and a collective commitment to the sport and event we love. I am so proud of our organization for getting us to this day and am delighted to join you in cheering on your favourite crews and experiencing all our beloved garden party has to offer!

In addition to the return to all of our usual Royal St. John's Regatta events, this summer finds us many special reasons to celebrate. This year we honour Her Majesty Queen Elizabeth II's Platinum Jubilee and 70 years of service on the throne. We also join our communities throughout Newfoundland and Labrador in celebrating Come Home Year 2022. And what better time to introduce our first Women's Long Course and Men's Short Course race options. Indeed, this 204th Royal St. John's Regatta will be one for the books!

For me, the Royal St. John's Regatta has always been a family affair, following in the footsteps of my mother Karen Harvey, and Grandfather Alexander (Sandy) McKinlay, on the Committee and joined by my husband, also a Committee member! Though this marks my first year as President of the Regatta Committee, my involvement and love of the Royal St. John's Regatta goes back as far as I can remember. And how could it not? I proudly come from a family of rowers and volunteers who have passed a love of the sport down through the generations. I am particularly excited to be pond side with my family this year to watch my own child row for the first time in the squirt category – and so the torch is passed and our tradition continues. Reflecting on family and tradition, I smile to think of the number of people who will come together on the shores of Quidi Vidi on Regatta Day with their loved ones, to continue with their own traditions, in the spirit of community and celebration. I truly hope this 204th running of the Royal St. John's Regatta finds you surrounded by laughter, joy, friends and the special feeling of 'home.'

I wish you all a safe and enjoyable Regatta Day!

Noelle Thomas-Kennell
President
Royal St. John's Regatta Committee

We respectfully acknowledge the territory in which we gather as the ancestral homelands of the Beothuk, and the island of Newfoundland as the ancestral homelands of the Mi'kmaq and Beothuk. We would also like to recognize the Inuit of Nunatsiavut and NunatuKavut and the Innu of Nitassinan, and their ancestors, as the original people of Labrador. We strive for respectful relationships with all the peoples of this province as we search for collective healing and true reconciliation and honour this beautiful land together.

PLATINUM JUBILEE ROYAL ST. JOHN'S REGATTA
HONORARY LIFE PRESIDENT MR. JOHN C. PERLIN CM. CVO. ONL. LLD.

One of the most prestigious honours to be bestowed upon a Royal St. John's Regatta Committee member is Honorary Life President. Honorary Life President is awarded to someone who shows commendable service to the Royal St. John's Regatta. This commendation has only occurred twice in the last 200 years and the Royal St. John's Regatta Committee has selected Mr. John C. Perlin CM. CVO. ONL. LLD. as the third.

This occasion comes after the passing of Mr. Jack Reardigan in 2019 and Mr. Gerry Angel in 1998, both of whom who were synonymous with the Royal St. John's Regatta.

Mr. Perlin has served in a variety of roles including but not limited to President, Vice President, Secretary, and Treasurer. He was instrumental in securing the "Royal" designation by Her Majesty, The Queen in 1993. In recognition of his significant contributions to the Royal St. John's Regatta, Mr. Perlin was inducted into the Royal St. John's Regatta Committee Hall of Fame in 1994.

Mr. Perlin has been described as a philanthropist, humanitarian, an impassioned caretaker of the environment, a promoter of culture, an avid volunteer and a human spotlight that has helped illuminate the achievements of many in this province.

He has lent himself to many causes, passions, and activities that will be felt for generations. The broad wake trailing behind him will continue to wash over this province and build momentum as he carries on and persists in finding more of himself to give to Newfoundland and Labrador.

PLATINUM JUBILEE

This year's 204th Royal St. John's Regatta is particularly momentous as we join the rest of Canada and the Commonwealth in celebrating the Platinum Jubilee of Her Majesty Queen Elizabeth II. As our sovereign marks 70 years on the throne, we cannot help but feel a great sense of gratitude and inspiration from her lifetime commitment to duty and public service.

Her Majesty's Platinum Jubilee, like the Royal St. John's Regatta, represents the best of tradition and continuity. For all of us, it is the perfect occasion to reflect on the many happy memories, challenges, and achievements that the Royal St. John's Regatta and its athletes, volunteers and participants have experienced over the last seven decades. In addition to celebrating the Regatta's impressive history and recognizing the honour of our 'Royal' designation, this jubilee year is also a time to look to the future of our unique sporting event with optimism and hope for what the next 70 years and beyond will bring.

The Royal St. John's Regatta extends warmest well wishes to Her Majesty Queen Elizabeth II on this remarkable occasion and is honoured to join in celebrating this historic achievement.

2022 COME HOME
NEWFOUNDLAND & LABRADOR

Whether it's catching up with old friends or catching a cod, listening to live music at a pub or listening to whale songs in the bay, having Nan's teabuns or having a feed of curry pond-side on Regatta Day, this year, perhaps more than ever, we all have reasons to come together and share all that Newfoundland & Labrador has to offer.

After two challenging years, we are happily welcoming this year's 204th Royal St. John's Regatta at historic Quidi Vidi Lake, St. John's, NL. We have always brought people together in the spirit of sport and community, and we cannot think of a better way to honour these traditions than by joining the Government of Newfoundland & Labrador in marking this year as "Come Home Year 2022".

In partnership with the Government of Newfoundland & Labrador, we are thrilled to mark this year's celebrations with commemorative "Come Home" medals, a Regatta Eve Concert at Quidi Vidi Lake, new oars for the rowers and infrastructure upgrades to the Boathouse. This generous support from the Government of Newfoundland and Labrador not only supports this year's "Come Home Year 2022" events and participants, but also contributes to our legacy and continued success as North America's oldest continuously organized sporting event.

Whether you're coming from up the road or across the globe, coming home for your annual visit or visiting our shores for the very first time, we are delighted to welcome you to this year's Royal St. John's Regatta and happy to have you celebrate "Come Home Year 2022" with us!
