**Message from  
The Lieutenant Governor**

As Vice-Regal Patron of the Royal St. John's Regatta, I am delighted to support this special annual event. Each year, tens of thousands flock to the shores of Quidi Vidi Lake to attend the oldest organized sporting event in North America, which officially earned its Royal designation from Queen Elizabeth II in 1993. This year marks the first Regatta under the reign of His Majesty King Charles III, continuing in the tradition of his mother and mentor.

The Regatta signifies an important part of the history of Newfoundland and Labrador. It embodies characteristics for which Newfoundlanders and Labradorians are known, determination, strength, resilience, and a strong sense of community.

The teamwork and dedication shown by the Regatta Committee members, volunteers, and rowing teams is inspiring. This event would not be possible without the commitment, time, and effort put forward by these organizers and volunteers.

Congratulations to all involved with the 205th Royal St. John's Regatta, I look forward to joining you and wish all who participate a wonderful and memorable day at the lake.

Judy M. Foote, P.C., O.N.L.  
Lieutenant Governor of Newfoundland and Labrador

**MESSAGE FROM THE PREMIER**

Welcome to the 205<sup>th</sup> running of the Royal St. John's Regatta, the oldest sporting event in North America!

As we gather with family and friends to cheer on our favourite crews, I hope you truly appreciate the hard work and dedication of everyone involved with bringing this event to our community.

From the rowers and coxswains, to the Regatta Committee who tend to a multitude of details, to the generous sponsors and many concessionaires who bring flavour and entertainment to the day, this is an event that brings our community together.

As a former rower, I know there is no feeling quite like hearing your coxswain saying, "Let it run" after you cross the finish line. I hope you all enjoy the day. I look forward to joining you at the pond as we celebrate the sport and tradition of rowing.

Congratulations to the Royal St. John's Regatta Committee and best of luck to the coxswains and rowers.

Honourable Dr. Andrew Furey  
Premier

## A Message from the Mayor

On behalf of the City of St. John's, I would like to extend a warm welcome to all residents, participants, and visitors to the 2023 Royal St. John's Regatta.

The Royal St. John's Regatta is more than just a day at the races; it is an integral part of our heritage, our culture and epitomizes the hard work and dedication of the people of Newfoundland and Labrador. The Regatta is steeped in traditions that define our unique community and showcase what Newfoundland has become well known for; people who work hard and strive to be the best we can be, while still enjoying our activities and having fun. It is an event held the first Wednesday in August, weather permitting, since 1818, in which we gather at Quidi Vidi Lake to meet friends, old and new, and to enjoy a day full of fun, games and races.

Congratulations to all the rowing crews, event organizers and volunteers for your dedication and hard work, and I would like to wish all residents an enjoyable 2023 Regatta Day and encourage everyone to make their way lakeside to take in some of the festivities and watch the races.

Best wishes,

Danny Breen  
Mayor

## MESSAGE FROM THE PRESIDENT Royal St. John's Regatta Committee

On behalf of the Royal St. John's Regatta Committee, it is my pleasure to welcome you to the 205th running of the Royal St. John's Regatta!

For so many of us, Regatta Day is one of the best days of the year. There's hardly a feeling quite like being pond side, feeling the energy of the crowd; smelling the delicious treats; hearing the wheels spin and seeing the elated, yet exhausted, crews rowing back to the dock at the end of the race to meet their cheering loved ones on the shore. It's always a special day and I have been honoured these last two years to experience this wonderful event with a front row view as the Royal St. John's Regatta Committee President.

As I reflect on my presidency and vice-presidency, I can't help but think of the many ups and downs we've all experienced in the last number of years. From the cancelled, and scaled down years, resulting from a global pandemic, to the relief and joys of 'Return to Play' and 'Come Home Year 2022'. In 2022 I had the honour of witnessing the first women's crews compete in an official long course race, and to add an additional layer of excitement to 2023, we are ecstatic to welcome the first men's crew competing in the official short course category!

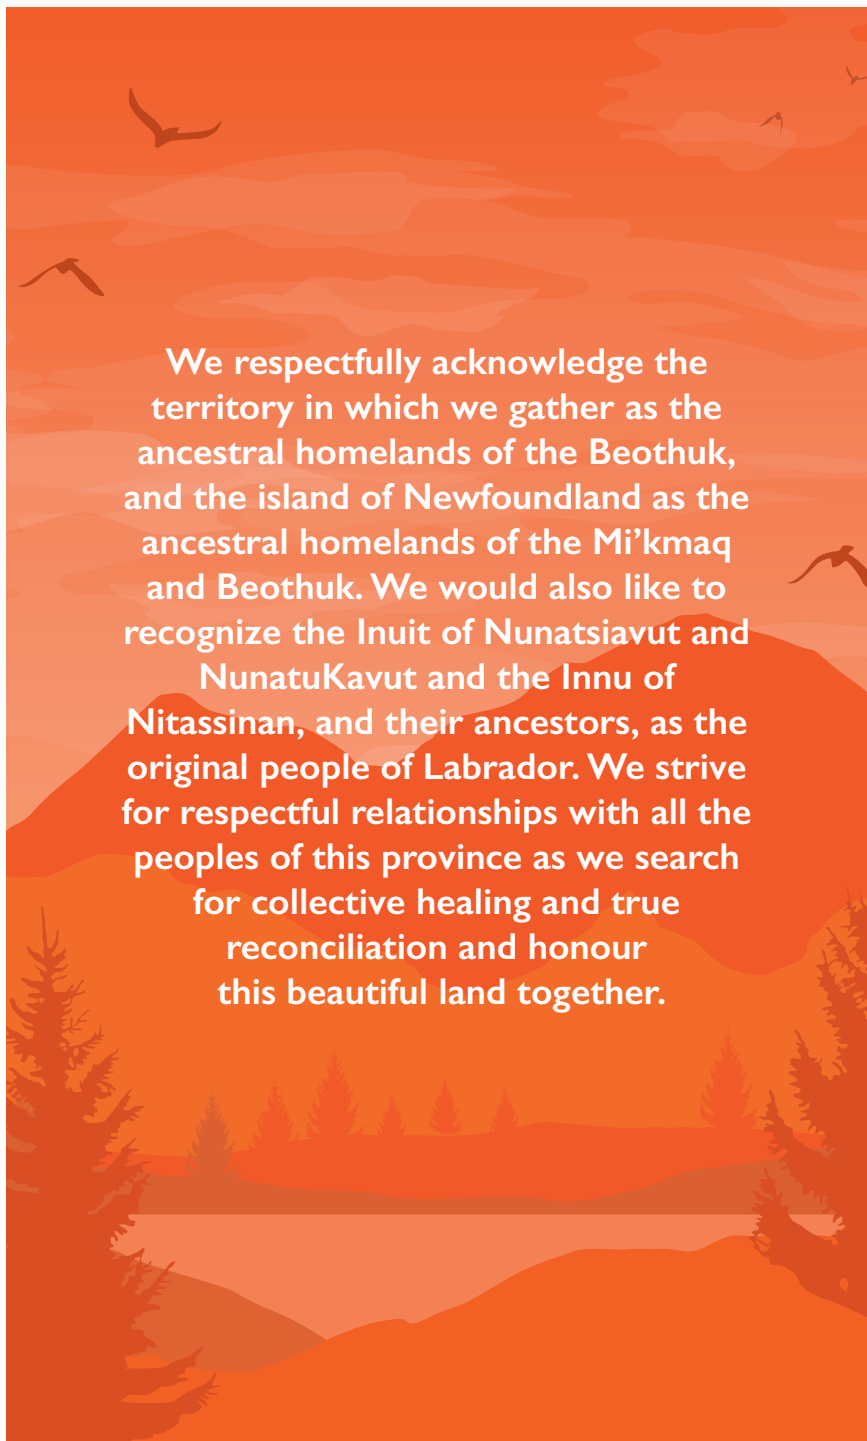

I know that I will look back on this period of time in history as memorable, eventful and the furthest thing from ordinary!

So as we come together today in the spirit of sport, community and tradition, I wish you all a happy, safe and memorable Royal St. John's Regatta Day!

Noelle Thomas-Kennell  
President  
Royal St. John's Regatta Committee

We respectfully acknowledge the territory in which we gather as the ancestral homelands of the Beothuk, and the island of Newfoundland as the ancestral homelands of the Mi'kmaq and Beothuk. We would also like to recognize the Inuit of Nunatsiavut and NunatuKavut and the Innu of Nitassinan, and their ancestors, as the original people of Labrador. We strive for respectful relationships with all the peoples of this province as we search for collective healing and true reconciliation and honour this beautiful land together.

## THE 2023 ROYAL ST. JOHN'S REGATTA IN MEMORIAM OF HONOURARY LIFE PRESIDENT MR. JOHN C. PERLIN

The Royal St John's Regatta Committee sadly marked the passing of our Honourary Life President and long time volunteer, John C. Perlin CM, CVO, ONL, LLD, on October 9, 2022.

Having served the Committee over the course of nearly 70 years, Mr. Perlin took on many roles, including that of President, Vice President, Secretary and Treasurer. Mr. Perlin was instrumental in the St. John's Regatta receiving its "Royal" designation by Her Majesty, Queen Elizabeth II in 1993, which remains to this day one of the organization's greatest honours.

For his exemplary volunteerism, Mr. Perlin was named to the Royal St. John's Regatta Committee Hall of Fame in 1994. His lifetime of dedication to the Royal St John's. Regatta Committee culminated in Mr. Perlin being named Honourary Life President in 2022 – a distinction only ever bestowed on two other individuals in the course of the Committee's history.

"The Royal St. John's Regatta Committee grieves the loss of our Honourary Life President, volunteer and friend, Mr. John Perlin. We honour his life by remembering his years of dedication to not only fixed seat rowing in St. John's, but his lifetime of service to countless people and causes throughout Newfoundland and Labrador. His tireless commitment to the Royal St. John's Regatta Committee remains a model of volunteerism and will no doubt continue to inspire future volunteers and those who serve our organization", said Royal St. John's Regatta Committee President Noelle Thomas-Kennell remarked at the time of his passing.

## HONOURARY LIFE PRESIDENT MR. BERNARD "TANNY" COLLINS

One of the most prestigious honours to be bestowed upon a Royal St. John's Regatta Committee member is Honourary Life President. So it was with great pleasure that the Royal St. John's Regatta Committee proudly announced the appointment Honourary Life President, Bernard "Tanny" Collins, only the 4th such named in our more than 200 year history, in June 2023.

"The decision to name an Honourary Life President is one our Committee takes very seriously. The position is reserved for those who have shown a deep commitment to our organization and those whose tireless efforts have not only enhanced the Royal St. John's Regatta, but fixed-seat rowing on the whole. Mr. Collins' many years of exemplary service made him an easy choice for this most esteemed designation. We are honoured that he accepted this appointment and thank him for his dedication to the Royal St. John's Regatta", says Royal St. John's Regatta Committee President, Noelle Thomas-Kennell.

Bernard "Tanny" Collins' history with the Royal St. John's Regatta goes back to the late 1960s when he started rowing, though many would say his connection to the Regatta was more of a birthright, passed down from the generations before him. Like his grandfather, Patrick Francis Collins, and his father, Bernard Collins, Tanny happily gave his time and skills, jumping into an organizational role. His contributions to the Regatta are extensive and significant, most notably, acting as Regatta Committee President from 1987-1988. But a few examples of his important work include the establishment of the organization's current governance structure, the Hall of Fame was created, and the vision and funding for the refurbished boathouse began (with the project eventually being completed in 2000). Also in 1988, Tanny oversaw the testing of our race shells by the Institute of Marine Dynamics at MUN. The wave tank tests showed that the design created by Robert Sexton, the carriage maker and Dr. Rendall, the rowing enthusiast, could not be improved upon.

His commitment to the Royal St. John's Regatta has extended beyond his presidency as evidenced by his family business PF Collins' years of support through the sponsorship of crews, races and trophies, as well as the donation of the racing shell, The Broker. This appointment comes after the passing of Mr. John C. Perlin, CM, CVO, ONL, LLD, in 2022. Previous Honourary Life Presidents include Mr. Jack Reardigan and Mr. Gerry Angel.
