**Message from
The Lieutenant Governor**

As viceregal patron of the Royal St. John's Regatta, I am very pleased to welcome rowers, coxswains, vendors, spectators, staff and volunteers to the 208th running of the Royal St. John's Regatta.

While our province is rich with tradition, there are few events with the longevity and the incredible history of the Royal St. John's Regatta. Each year, we honour and celebrate this unique and special part of our heritage with a day at the lake.

The Regatta Committee, staff, teams and so many volunteers work tirelessly to ensure Regatta Day is a safe and enjoyable success. Thank you for keeping this wonderful tradition alive!

Congratulations to all participants! Carl and I look forward to joining you at lakeside and we wish fair winds to all crews.

Joan Marie J. Aylward, O.N.L.
Lieutenant Governor of Newfoundland and Labrador

MESSAGE FROM THE PREMIER

As Premier of Newfoundland and Labrador, it is my pleasure to welcome everyone to the 208th running of the Royal St. John's Regatta.

For generations, the Regatta has brought people together at Quidi Vidi Lake in the spirit of sport, tradition, and community. It is one of our province's most beloved summer traditions and is recognized as the oldest organized sporting event in North America.

Regatta Day is about more than the races. It is about families and friends gathering by the lake, volunteers giving their time, athletes and coxswains showing dedication and discipline, and a community celebrating a tradition that belongs to all of us.

To every rower competing this year, congratulations on the hard work that brought you to the start line. To the Royal St. John's Regatta Committee, volunteers, sponsors, organizers, and supporters, thank you for the effort you put in year after year to make this historic event possible.

Whether you are a longtime Regatta regular or attending for the first time, I hope you enjoy a safe, exciting, and memorable day at Quidi Vidi Lake.

Best wishes to all crews, and congratulations on another proud chapter in the history of the Royal St. John's Regatta.

Premier

Message **from the Mayor**

On behalf of the City of St. John's, it is my great pleasure to welcome residents and visitors alike to the Royal St. John's Regatta—our city's most cherished summer tradition.

For over two centuries, the Regatta has brought our community together along the shores of Quidi Vidi Lake to celebrate sport, heritage, and the enduring spirit of St. John's. From the thrill of the races on the water to the laughter and camaraderie on the grounds, this day reminds us of the connections that make our city so special.

The Regatta is more than a sporting event; it is a living piece of our history that continues to unite generations. I extend my sincere thanks to the organizers, volunteers, rowers, and sponsors whose dedication ensures the continued success of this remarkable day.

I invite everyone to take part, enjoy the festivities, and celebrate all that makes St. John's proud.

Wishing you a safe, memorable, and happy Regatta Day.

Sincerely,

A handwritten signature in black ink that reads "Danny Breen". The signature is fluid and cursive, with the first name "Danny" and last name "Breen" clearly distinguishable.

ROYAL ST. JOHN'S REGATTA PRESENTED BY SUNCOR

MESSAGE FROM THE PRESIDENT

As President of the Royal St. John's Regatta Committee, it is my great pleasure to welcome you to the 208th Royal St. John's Regatta, presented by Suncor.

Each Regatta Day offers a special opportunity to reflect on what this cherished tradition means to each of us. As a child, I was captivated by the games and delighted by the many treats that made the day so memorable. As I grew older, I found myself drawn to the excitement of the races, cheering alongside thousands of spectators on the shores of Quidi Vidi Lake. Since becoming a member of the Royal St. John's Regatta Committee, my appreciation for this remarkable event has only deepened as I have gained a greater understanding of its rich history, enduring traditions, and lasting impact on our community.

While much has changed over the past two centuries, one thing has remained constant: the Royal St. John's Regatta continues to bring people together. That sense of community, connection, and shared celebration is what makes this event so extraordinary and why it continues to hold such a special place in the hearts of generations of Newfoundlanders and Labradorians.

As we gather for this year's Royal St. John's Regatta, I encourage each of you to reflect on what Regatta Day means to you. Perhaps it is a family tradition that has been passed down through generations. Perhaps it marks the culmination of months of dedication and teamwork for your rowing crew. Or perhaps this is your very first Regatta experience. Whatever has brought you to Quidi Vidi Lake today, know that you are part of something truly special—a community whose stories are woven into the rich history and enduring legacy of the Royal St. John's Regatta.

A handwritten signature in blue ink that reads "Keith White". The signature is fluid and cursive, with the first name "Keith" and last name "White" clearly distinguishable.

President

Royal St. John's Regatta Committee

We respectfully acknowledge the territory in which we gather as the ancestral homelands of the Beothuk, and the island of Newfoundland as the ancestral homelands of the Mi'kmaq and Beothuk. We would also like to recognize the Inuit of Nunatsiavut and NunatuKavut and the Innu of Nitassinan, and their ancestors, as the original people of Labrador. We strive for respectful relationships with all the peoples of this province as we search for collective healing and true reconciliation and honour this beautiful land together.

Supporting communities matters.

That's why we put our energy into finding solutions that build community and economic resiliency, improve social outcomes and empower our people.

Whether it's through our SunCares Employee Giving Program, funding local organizations and programs, or volunteerism, we're honoured to be a part of the communities where we live and work to help create a lasting impact for future generations.
